

## ACIFC Conference 2014

### Concrete Flooring for the Future

The ACIFC Conference 2014 will take place on **Thursday 25 September** at the **Draycote Hotel in Rugby, Warwickshire**.

For the first time, the event will be a full day and will provide members with a forum to engage with major concrete suppliers and experts on future developments in the industry.

The morning session will be made up of presentations on 'Concrete Flooring for the Future' as well as a panel question time. Confirmed speakers so far include:

- ✓ **Lafarge Tarmac**
- ✓ **Hanson**
- ✓ **Cemex**

There will also be presentations from other industry experts in the afternoon on topics including **Materials Handling Equipment** and **Warehouse Design** (from Ashton Smith Associates).

Following the presentations members will have the opportunity to contribute towards developing and updating guidance documents for the industry. These will be covered in the form of two workshops on:

- ✓ **Composite Concrete Slabs on Steel Decking**
- ✓ **Maintenance and Repair Methods**
